

The Starke County Amateur Radio Club June meeting was called to order at 7:07 pm on the 15th. We had 12 members present.

Old business:

We still need to get all the parts for the computers from Ed. Levi, WB9CAO said he would get with Ed on this.

Field Day will be at North Judson park pavilion #1. This is in the northeast corner of the park.

David, KC8OBH said he has 2 computers, but no keyboards from Ed. No one seems to know what happened to the third computer.

For F.D. we will run 2 stations and do paper logs. Linda, KC8PKY will do the reporting to ARRL of the results.

New Business:

John, W3ML gave the treasurer report. We have \$703.31.

Steve, KB9GPW reported that he and Tom, W9QN went to the American Legion Club station in Indianapolis. Steve said it was nice and they were treated with great respect by everyone there.

John brought up the fact that we still need to get repeater out of town and up higher. Don, W9KRT had said in the past he would help in getting a tower up, if someone would use it for the repeater.

Linda said she has a DVD of the *Secret Wireless War* and is willing to loan it out for those that want to view it.

General discussion of various topics continued.

Program for tonight was presented by John on a video of how to use a MFJ 259 antenna analyzer for other than checking SWR.

Raffle and sale of hats took in \$21.00.

Meeting was adjourned at 8:57 pm.

Respectfully submitted,

John, W3ML Secretary/Treasurer
