

## September Meeting 2010

New business:

Radioville is Saturday October 2 in Radioville, Indiana on Route 421 South of San Pierre at the Indiana State Highway Garage.

We will set up the radios, antennas, tables, tents, generators around 9-9:30 central time until about 2-3 p.m. Everyone is to bring their chairs to sit on, and their drinks, and a dish to share with everyone. Bring your drinks, Janet will supply bottles of water, coffee.

Joseph KC9NFD gave an interesting report on the History of Ham Radio. Thanks Joseph for your report. John W3ML continued his report of Log Book Of The World with part 3 continuing next month.

Dwight and Jolene honored us with some delicious baked goods. Thanks for the treats.

Club Holiday Party is Sunday December 5 at 4:30 p.m. at the Wooden Nickel in North Judson. The dinner is \$14.00 for each person this includes the buffet (all you can eat) and 1 non alcoholic beverage. If you wish to purchase alcoholic beverage you pay for it extra. You can also purchase a dinner from the menu. Please pay for the buffet dinner before or at the November club meeting on November 18. We need to let Wooden Nickel know how many will be attending so they have enough food. If you don't know if you can attend at that time, I can put you on the list that you will be there. It's better to have more food than not enough.

The winner/winners of the foxhunt for this year will be announced at the Club's Holiday Party.

James and Mike were the fox, or should I say Mike's van was the fox this month. Tony and Janet will be the fox next month. The last foxhunt for this year is Sunday October 17<sup>th</sup> at the Five Star Parking lot at 1 p.m.

We held a raffle which our club collected \$12.00.

News:

Tony told us that the club applied for 2 grants. We have not heard anything from them as of September 28.

Treasurer's Report:

Our club paid \$7.14 for the club's Corporation fee for next year.

Janet purchased stamps and paid postage for the grant letters.

Janet purchased items for the club picnic. We have \$717.35 in our account.

Randy KC9ISJ and John W3ML are going to get quotes on insurance for our Club's radio equipment.

Our constitution has been changed we will now have nominations for Officers in November, since we don't have a meeting in December. The election is in January and new officers start their term of office in February.

Thanks once again to Randy KC9ISJ for getting us the pavilion at the North Judson Town Park again this year for our club picnic.

Our club's picnic was a success. We had great weather, food, excellent company and of course we played Radio, horseshoes, and we also put up an antenna and made some contacts. Rose Husk made a beautiful blanket which she donated to the club for a drawing. Susan Oliver's name was picked by Rose. Thanks Rose and congrats Susan. We had 2 raffles at our picnic. A 50/50 was won by Bill WC2O. The club collected from both raffles \$32.00. Thanks everyone.

Birthdays: Happy Birthday

September 2010
