The President's Corner

Field Day is a few weeks away and the food drive is already started. Don't forget the June meeting you can bring in can goods or cash for your food drive donation. As a group we need to beat last year's donation, I know we will. I was looking at the INQSO log and what I see makes me proud. There is a lot of STARKE COUNTY AMATEUR RADIO CLUBS on the list. A few years ago nobody knew we existed. Look at our area Skywarn Classes, local Hamfests and antenna parties we are there, even look at our own events we are active. Being the SEC for the ARRL I hear many comments on how we participate and they wish their group were as active in the hobby as we are. You know our numbers aren't large but many other clubs have in excess of 75 members and we still beat them out because we participate. I want to say THANK YOU to everyone. You make SCARC a club, but more important is I consider you all FRIENDS.

Ramblings of the Vice President

Well it looks like I missed another fox hunt. Congratulations go out to Randy Brown n9cpx for winning it. Field day is quickly approaching, are we ready? The pavilion at the park is a little smaller but it is workable. Remember to bring cans of food for the food pantry the less fortunate in Starke County are depending on our donations. Summer is almost here so be prepared for children to be out and about we all know they do not look when they are on their bicycles. This month it will be a short one for me I have a lot of things going on in the next few months so time for me will be limited.
